

Your Personal Income Portfolio In Less Than 30 Minutes!

Make a list of all of your favorite topics, passions or subjects you care about. Remember, what's second nature to you, someone this very minute is searching for a solution and is willing to pay for it. **Tip: It's important not to censor your answers, just write down what comes to mind. If you need more space feel free to use the back of this form or own our personal journal.**

1. _____
2. _____
3. _____
4. _____
5. _____

Now pick just one item from the list you just created above and write down at least five things you know about your selected topic or creative passion.

1. _____
2. _____
3. _____
4. _____
5. _____

Next, explore ways you could make money from the 5 things you wrote on your list. Goal: Come up with at least 5 money making ideas.

1. _____
2. _____
3. _____
4. _____
