

Ideal Work/Lifestyle Template!

In order to create your work/lifestyle you have to first define what that is. Use this template to begin crafting the kind of work/lifestyle you want. Getting clarity now will help you on your journey as you explore all the ways to create new streams of income

When you think of a typical work day in your ideal life what's happening? For example: What's your morning like? What are you doing in the afternoon? What time do you stop working? How do you spend your evening?
Where do live? By the beach, in the mountains, do you split your time between two or more places living and working as a digital nomad?

How deep are you going with your clients? Again, the more you emphasize service and the quality of that service, the more you can charge? What transformation do your customers expect? What can you deliver that's unique to you? Do you see yourself meeting clients live or on the internet? How many clients or customers are you currently serving? How many do you want to serve? How do you want to serve them? (i.e. over the telephone or internet, in person, in a group, or one-to-one?)
